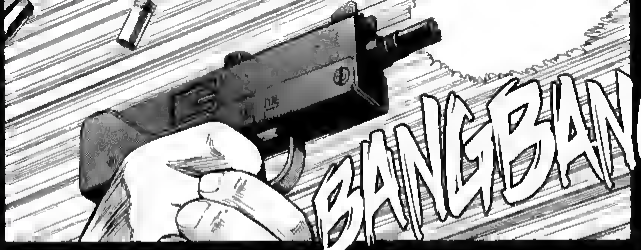
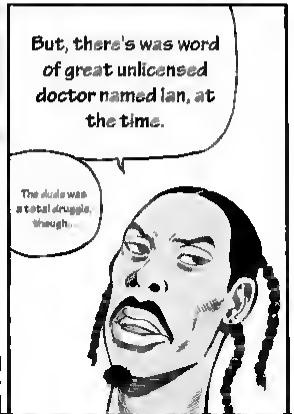
Shut up.
Leon, you don't have to take in every stray dog you see...
Just get one for the house...



BANGBANG

My three dogs were caught in a cross fire and suffered fatal injuries as a result.
I didn't want to attract attention, so I didn't take them to a normal hospital.

He ain't a vet.



But, there's was word of great unlicensed doctor named Ian, at the time.
The dude was a total druggie, though...

But .. it was due to his miraculous surgery that two of the dogs were saved..
Because of that, those dogs came to resemble myself, who has the blood of five different races running through his veins...
We'll meet again, "Yukio Tanaka."

HE DIDN'T ANSWER ME...?
WHY IS IT THAT, WHEN I ASKED HIM THE SAME QUESTION...

SWOOOOOOOO

MAN, THEY'RE COMPLETELY OUT OF IT.
OF COURSE THEY ARE.
THEY DRANK EVERYTHING THAT JODIE PREPARED FOR THEM...
MY HEAD STILL HURTS, ACTUALLY.
WELL, THIS IS THE FIRST TIME THEY GET TO RELAX AFTER ALL THAT PRESSURE WAS ON THEM.
Just let them sleep.

It's going to be even tougher from now on.

There's no way the world is going to let go of *Mongolian Chop Squad* now!
WHAT DID HE SAY?

..has a long list of notes today!

First Order Of Business!

As you may have noticed, we started using new fonts in this chapter. They are:

Japanese: **CC ASTRO CITY**

English: **Tekton Pro**

and a few new SFX fonts which I haooen to be too lazy to mention. We felt that the old fonts were getting rather stale, so we changed them! Woo.

Next Order of Business!

A big, screaming "thanks" go out to Dookie, who bought volume 32 and scanned it for us with fantastic quality. He's going to be doing the same for volume 33 and 34, so make sure you give this guy tons of love.

Final Order of Business!
